*Nomura-AllWeatherCertificate	12.22%

The Nomura - All Weather Certificate includes shares in the Platinum All Weather Fund. This fund invests indirectly with Bernard L. Madoff Investment Securities LLC. The fund is unable to calculate the net asset value, but it is likely that the shares could be written down to zero. The individual account statements still show the positions at their previous value, as the write down is not yet in effect.

* Unredeemable at the present time.
