CS Asian Property	LU0220210792	0.93%

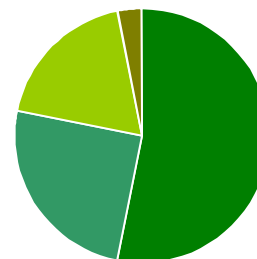

*Nomura - All Weather Certificate	DE000NM0AA43	21.37%
-----------------------------------	--------------	--------

The Nomura - All Weather Certificate includes shares in the Platinum All Weather Fund. This fund invests indirectly with Bernard L Madoff Investment Securities LLC. The fund is unable to calculate the net asset value, but it is likely that the shares could be written down to zero. The individual account statements still show the positions at their previous value, as the write down is not yet in effect.

* Unredeemable at the present time.

Currency Allocation (after hedging)

EUR	53.00%
USD	25.00%
CHF	19.00%
Others	3.00%

*The fund allocation as well as the selection of investment funds may vary over time. Information and recommendations provided subject to change without notice and cannot be deemed as binding. Investors should note that the performance of fund-linked insurance tracks the value of the selected fund portfolio. Performance figures do not consider policy risk premiums and costs. Past performance is no guarantee of future results.
